AIICRYPT

14th April 2023

About AICRYPT

Dialogue Session

Advance Level Workshop

The event is a one-day event with two major parts - A dialogue session with an expert in both CyberSecurity+AI domain, and An advanced level workshop on a yet undecided topic which will provide a hands on experience on important skills required in the corporate computer science domain to all the participants, who will mostly include 2nd 3rd and 4th year students. It will encourage students to increase their interest and their keenness to dive into the world of cyber security and artificial intelligence. All participants will also have to submit their work based on what they have learnt in the workshop which will be further evaluated accordingly in order to provide appropriate certifications. It will be an offline event conducted by the AI Club. Venue - VIT Bhopal Auditorium

Time - 10am - 5.30pm

WHY YOU SHOULD SPONSOR US

We are one of the most active clubs in VIT Bhopal with an active base of more than 500 students. Our regularity and promise to deliver top-quality events, speak for our passion for community engagement. Connecting with us will expose you to our university's bright and budding minds. It also opens up future collaborations for even bigger events that we will be conducting in the future. Also, you get a chance to promote your product during the event timeline, leading to more students reaching out to you and your product.

ABOUT INSTITUTION

VIT Bhopal University, envisioned with a new global outlook will empower its aspirants to attain excellence through learning.

Starting from the 2017-18 academic year, the new ultramodern University campus, sprawling over 300 acres, is in the town of Kothrikalan, surrounded by green, lush fields and a serene environment.

This new and contemporary campus is aiming to become the primary hub of education, with leading-edge and high-tech developments in a wide variety of areas.

Collaboration with reputed national and international organizations and strategic partnerships with universities around the world are being established, to prepare a globally competent generation of professionals.

ABOUT AI DIVISION

AI Division of VIT-Bhopal is one of the most active and enthusiastic division with multiple collaborations and learning opportunities for students. It is recognized by INDIAai, an initiative by the government to promote AI. It has been providing knowledge to students through webinars, and workshops and leveraging their skills students with various opportunities related to research, open source projects, and innovation.

ABOUT AI CLUB

One of the most successful initiatives launched by the AI Division is the formation of the AI Club. Since the launch AI Club has been achieving its vision of delivering far-ranging knowledge about AI and ML to students. A few of the prominent events organized by the club in past are AI Conclave 2022, TEDx Talks, DSA Week, AI Empowered Speech Applications, The Last Hunt, Spring Bootcamp etc. It has it's own well establish local chapter in university 'Omdena' which is working on project of "Monitoring water quality of bhopal lakes" . It also successfully launched first of its kind, AI magazine, The Tech DAlgest in university which got huge response.
